AND  
BECAUSE  
OF THAT I...  
CONTINUED TO FIGHT  
WITHOUT  
RESTS.

HADES  
ENTERED HIS  
MONSTERS  
INTO THE  
TOURNAMENT  
MATCHES  
CONSECUTIVELY.

BUT  
THE HERO'S  
WAY OF  
FIGHTING  
SHOULD BE  
FUN  
...

AND YET I  
DIDN'T  
KNOW WHY I  
WAS  
FIGHTING.

YOU

But  
that'd be  
no fun in

AND  
WHAT ARE  
YOU GONNA

THIS.

GEEZ...

THIS  
ISN'T

Thats an  
interesting

Just go!

I'm not a

Are you  
making fun  
of me?

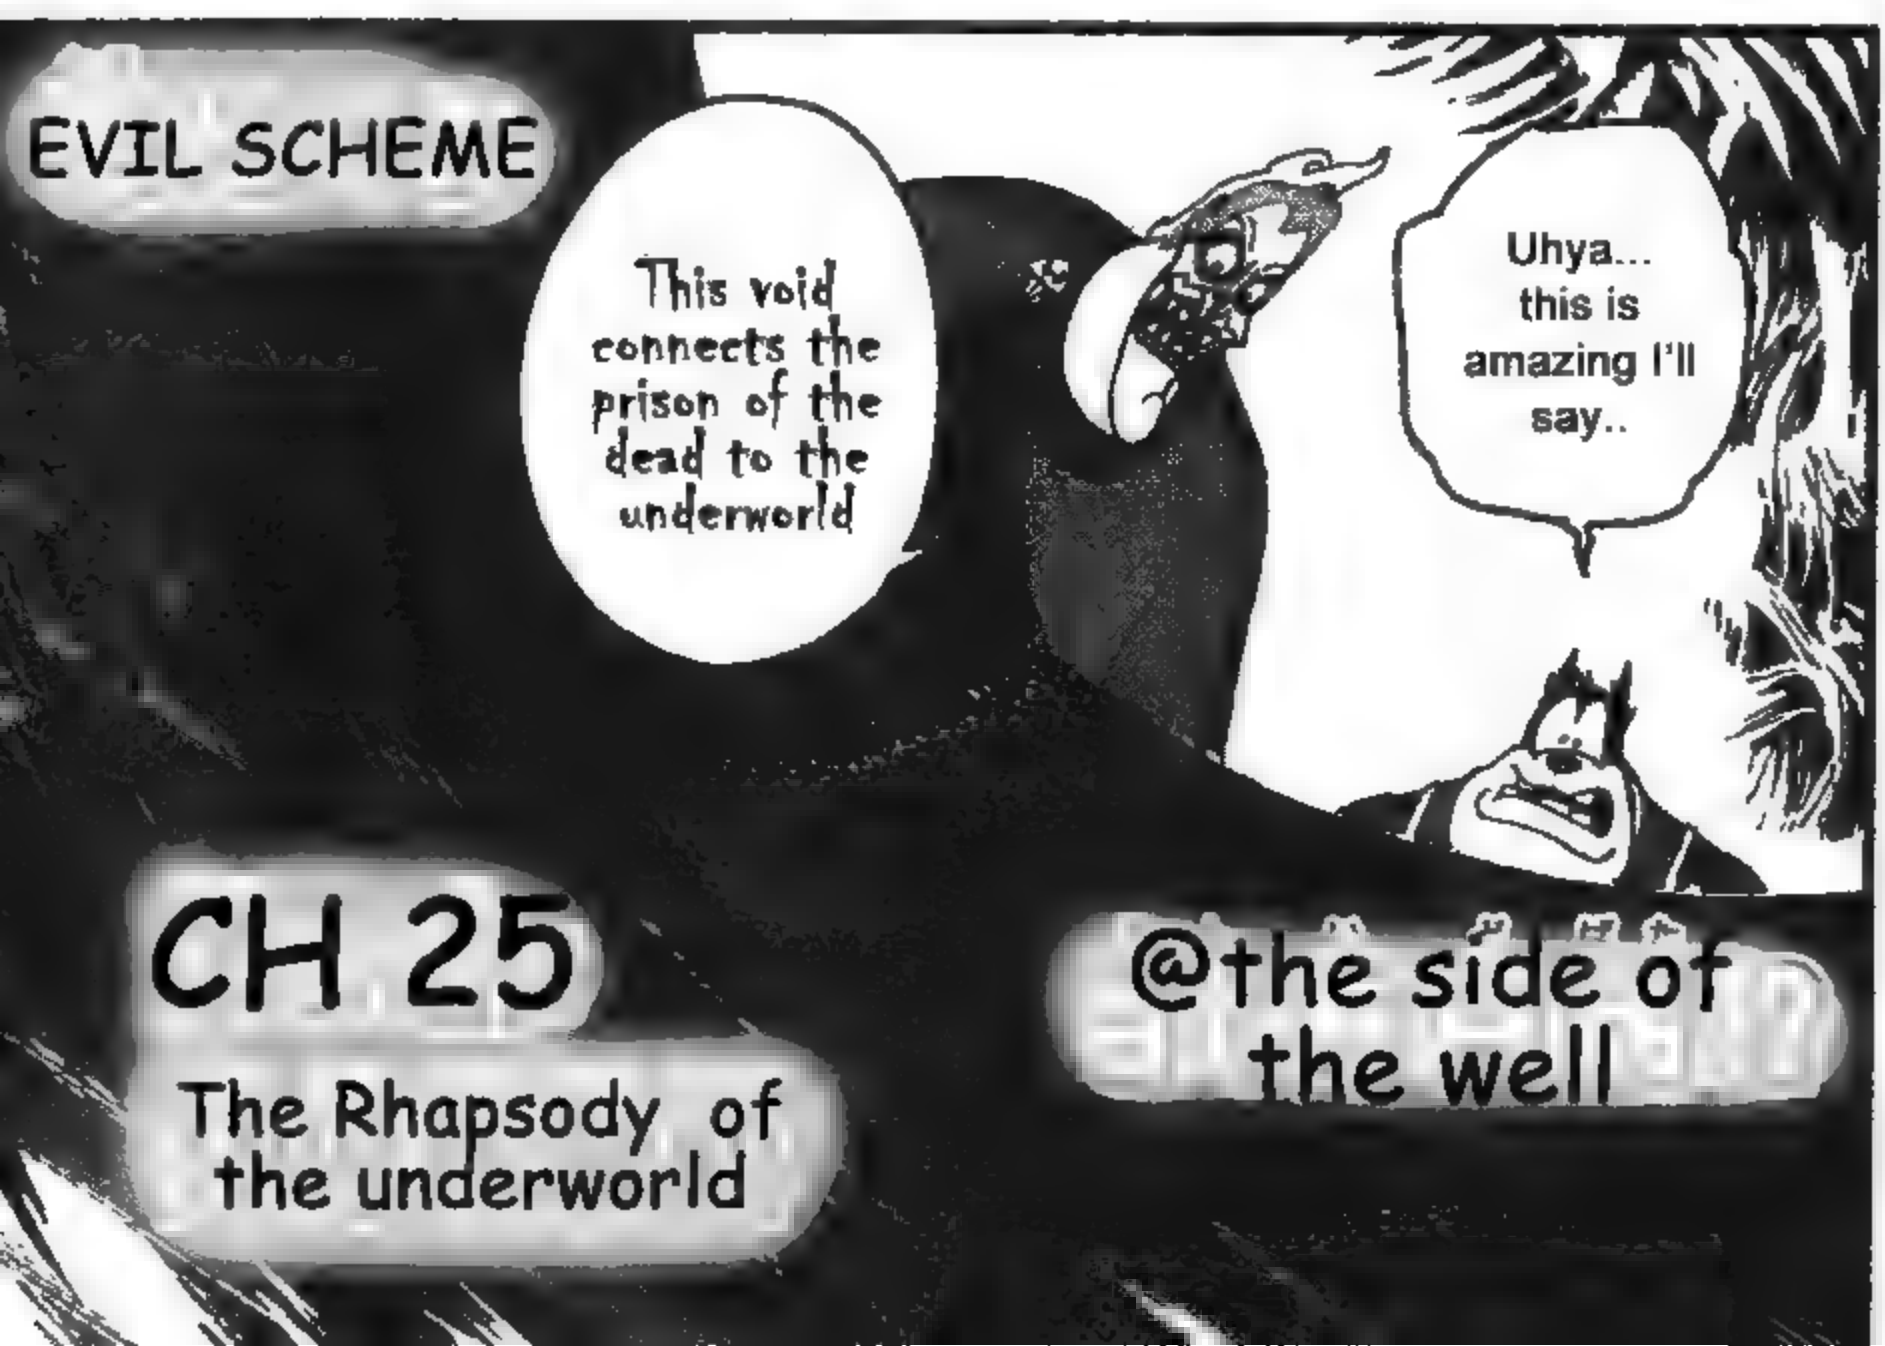

and don't go  
forgetting the  
details of the  
mission anytime  
soon

Read the instruc-  
tions prop-  
erly...

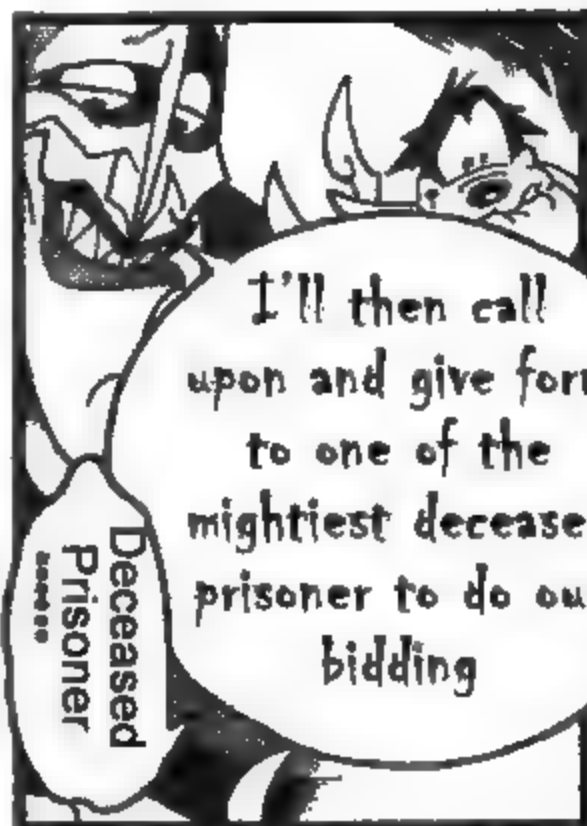

It reads  
"con-  
firmed"

Hey what  
does this  
say?

I'll then call upon and give form to one of the mightiest deceased prisoner to do our bidding

Ambush them at the meeting place so that they won't be able to prepare themselves

Then I'll go tip off Hercules and that Brat to come and ...argh

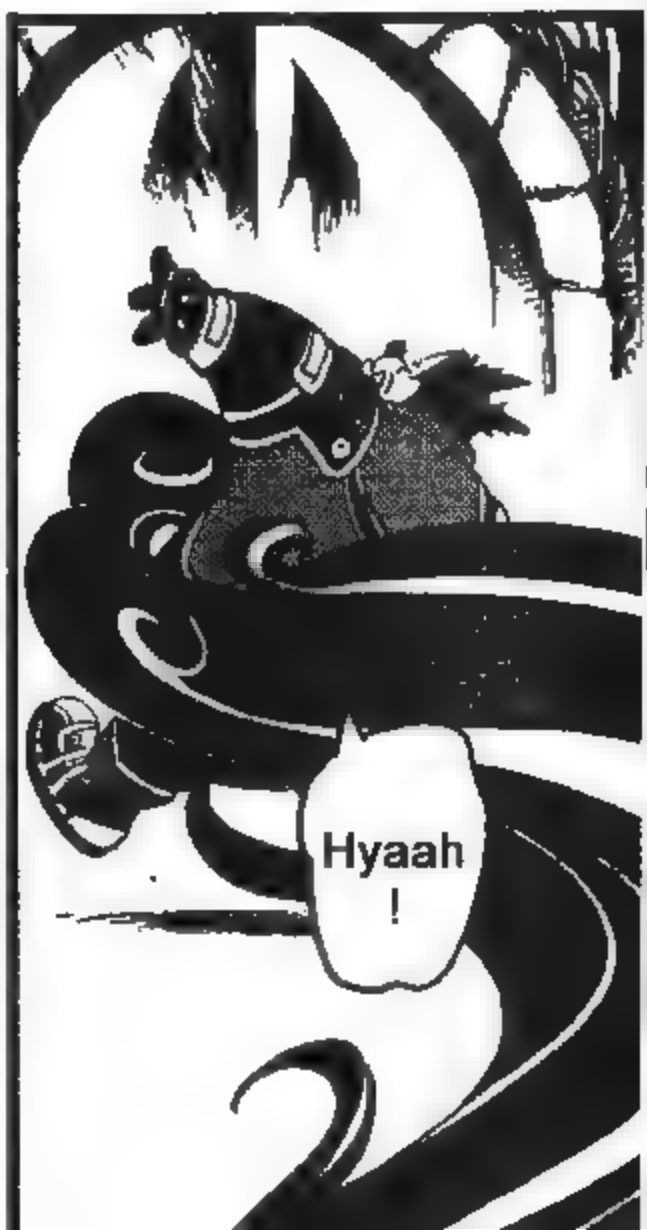

Al...  
alright

I see you've already planned ahead. Uheh ...

no wonder they call you 'Lord of the Underworld, Hades'

Just leave that to my lackeys

Hyaah!

This isn't  
something  
you'll get to  
see commonly!

Just  
watch!

Hieee!

He looks kinda fragile, are you sure about this?

Huh?

...And I thought it was gonna be something huge...

He's pretty skilled

Hmm

Uoon!!

With crimes like yours, you could wind up in this prison for an eternity

Let see, prisoner

So think of this as your 'big chance'

You want your freedom don't you?

Why do I get the feeling this has suddenly become more complex than it needs to be...

I just wanted to return early...

You just need to enter a match at the Coliseum and defeat Hercules

and the reward: you'll be "released from this prison"

That's right!

Hercules?

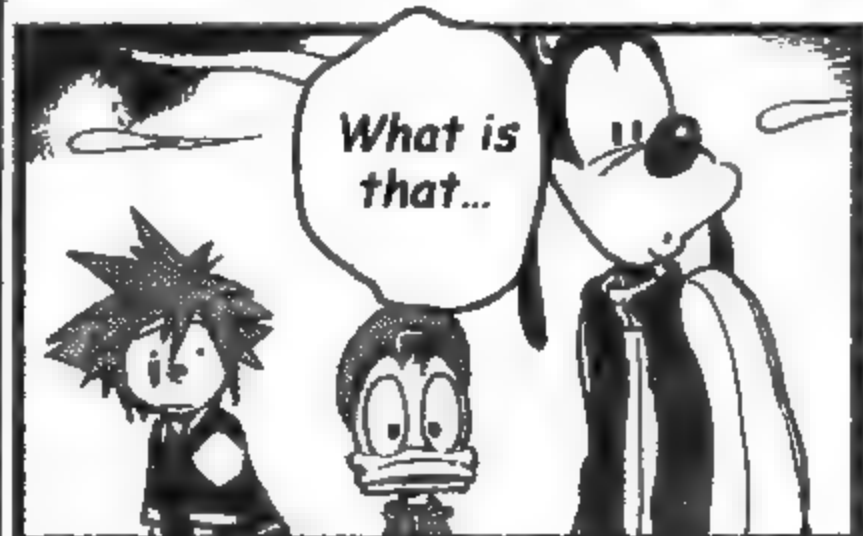

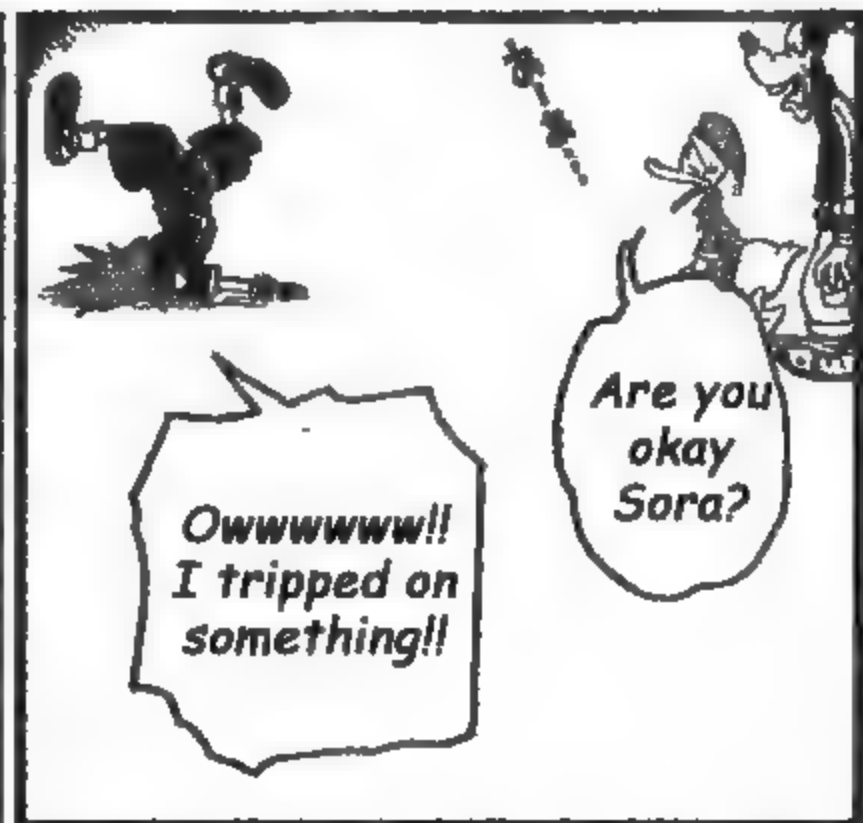

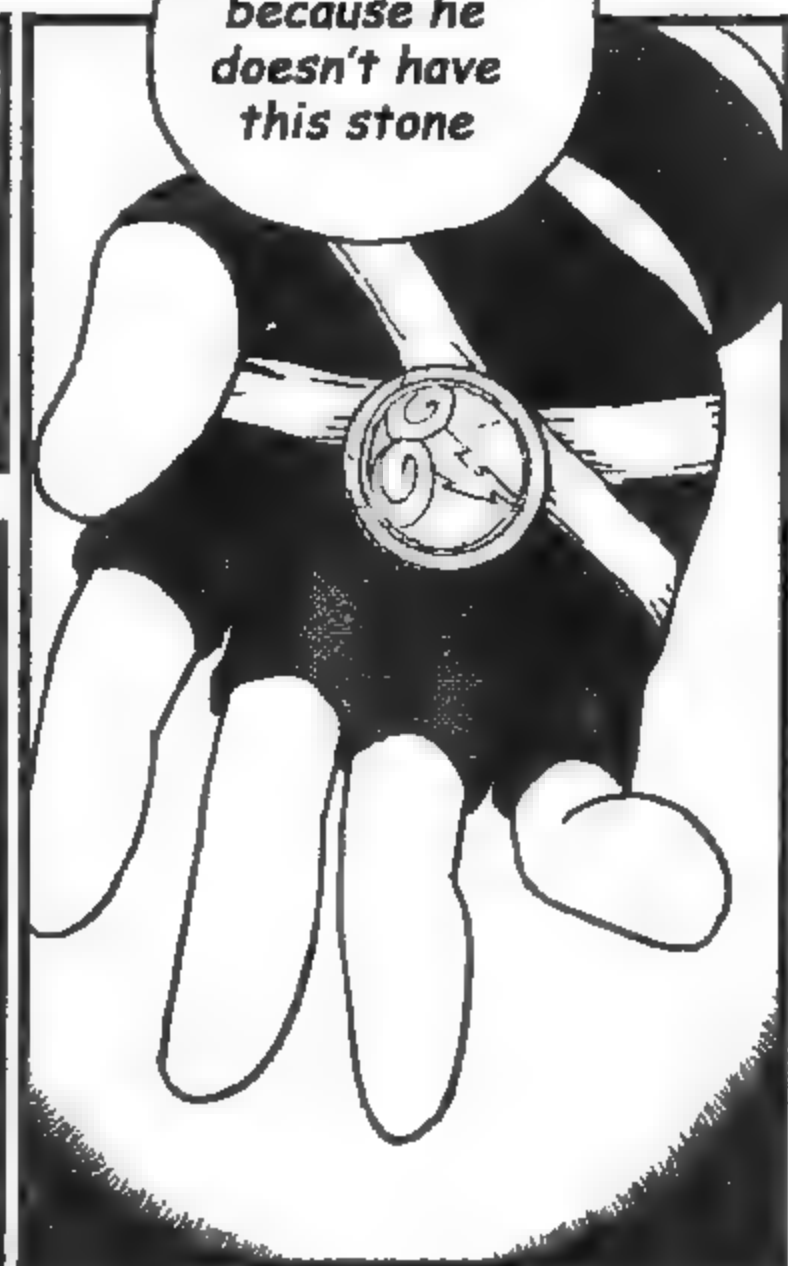

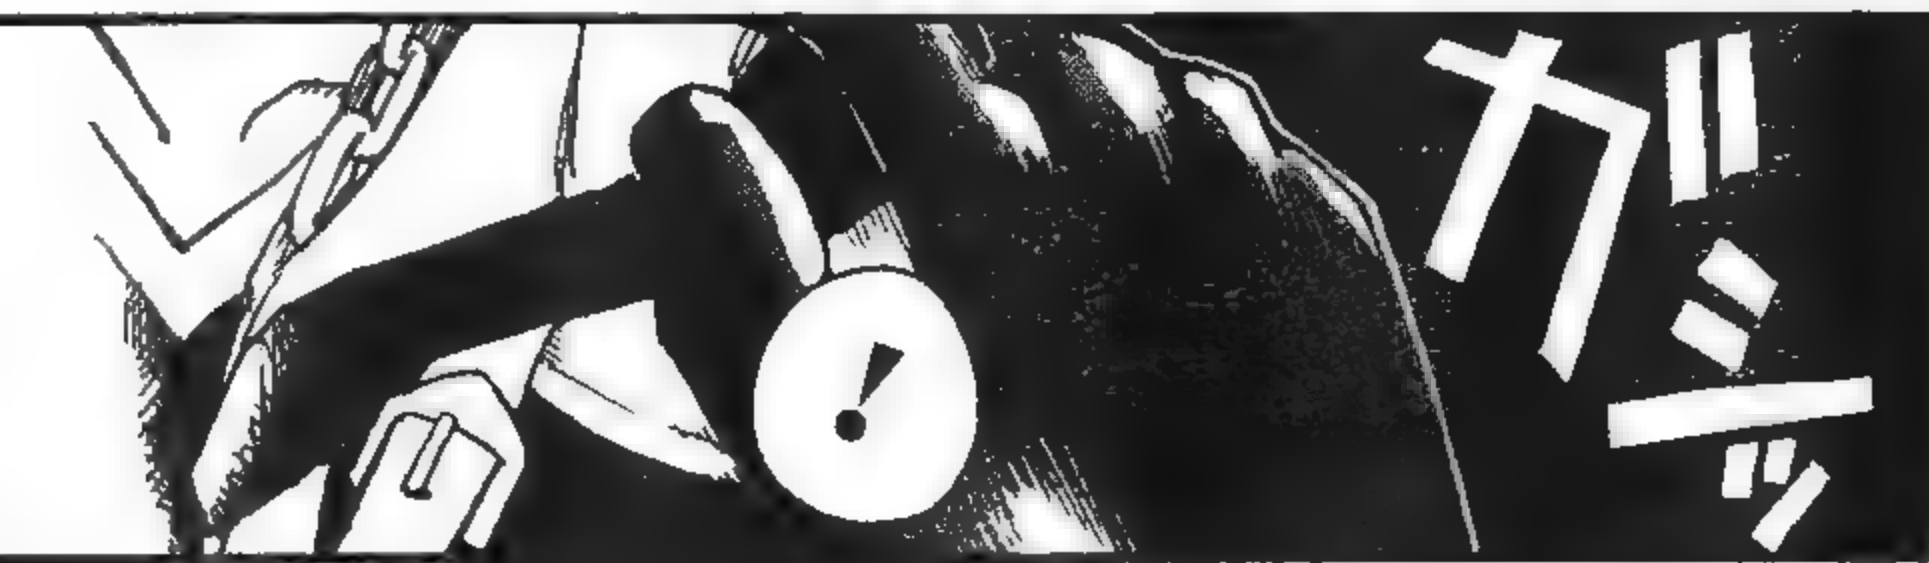

"SFX" Sora's "Hey" echoing throughout the cover

It really is  
you Roxas!!  
Thank you!!

You saved  
me!!

I think

Mission!!

Hmmmm  
"If the subject  
fails to  
respond, use  
aggression to  
liberate his  
true  
disposition"

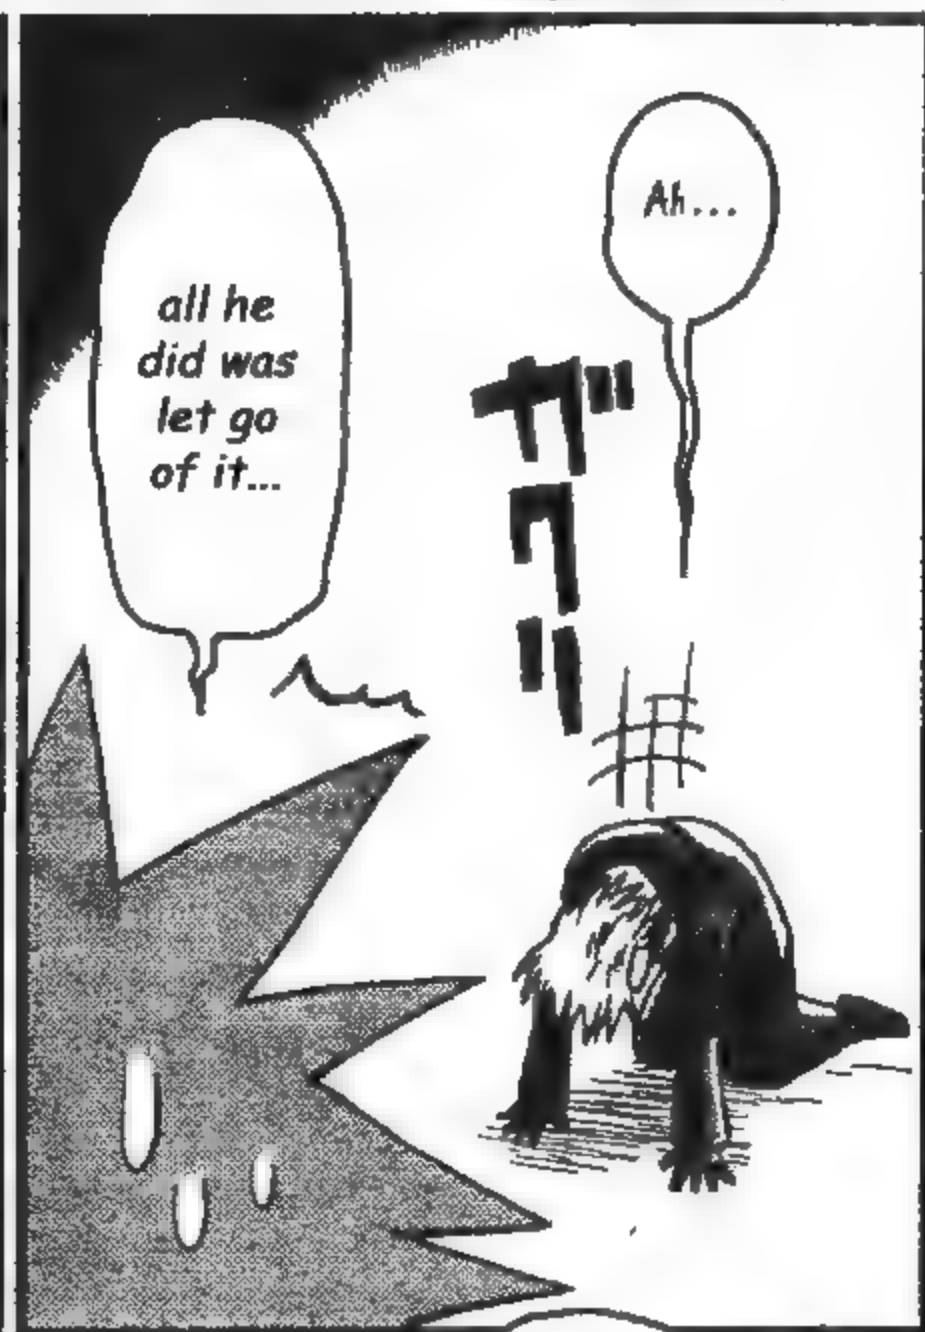

For some reason  
I feel really sick  
when I'm here....  
I think I'm gonna  
go...

!!!

all he  
did was  
let go  
of it...

Ah...

ガロガロ

nobody's  
angry with  
you anymore!

Roxas come  
back to us!

I mean...I've

angry...

Do what ever  
you want with  
me! If you're  
gonna boil me or  
bake me!!

Its exactly  
what it  
looks like

...and then  
MAYBE our  
plans might  
go more  
smoothly!!

Maybe Next  
time, you should  
go discuss this  
with the other  
side before we  
do anything...!

Dammit,  
So what if  
you are?

Even the skin of a  
watermelon is more  
useful than you....  
You obviously don't  
know what it means to  
exist in this world  
.....

YOU'RE NOT  
JUST A  
MESSENGER  
KID!!!

WHY DO YOU  
THINK YOUR  
PATHETIC LITTLE  
HEAD IS STILL  
ATTACHED TO  
YOUR NECK!

THAT'S PUNISHMENT!!!

Yeah, I'm getting a strange feeling too

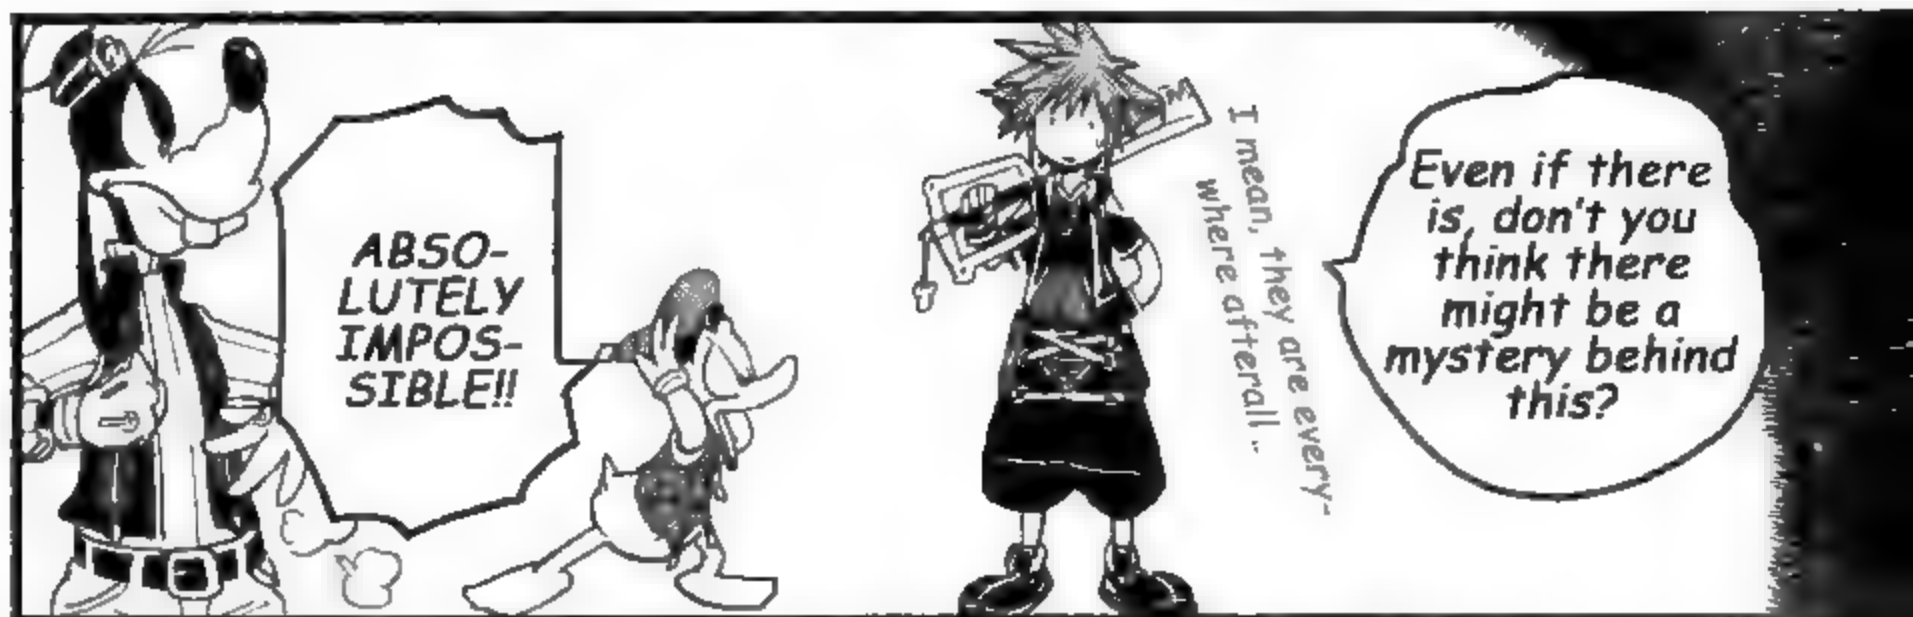

Yeah.... something's a little off...

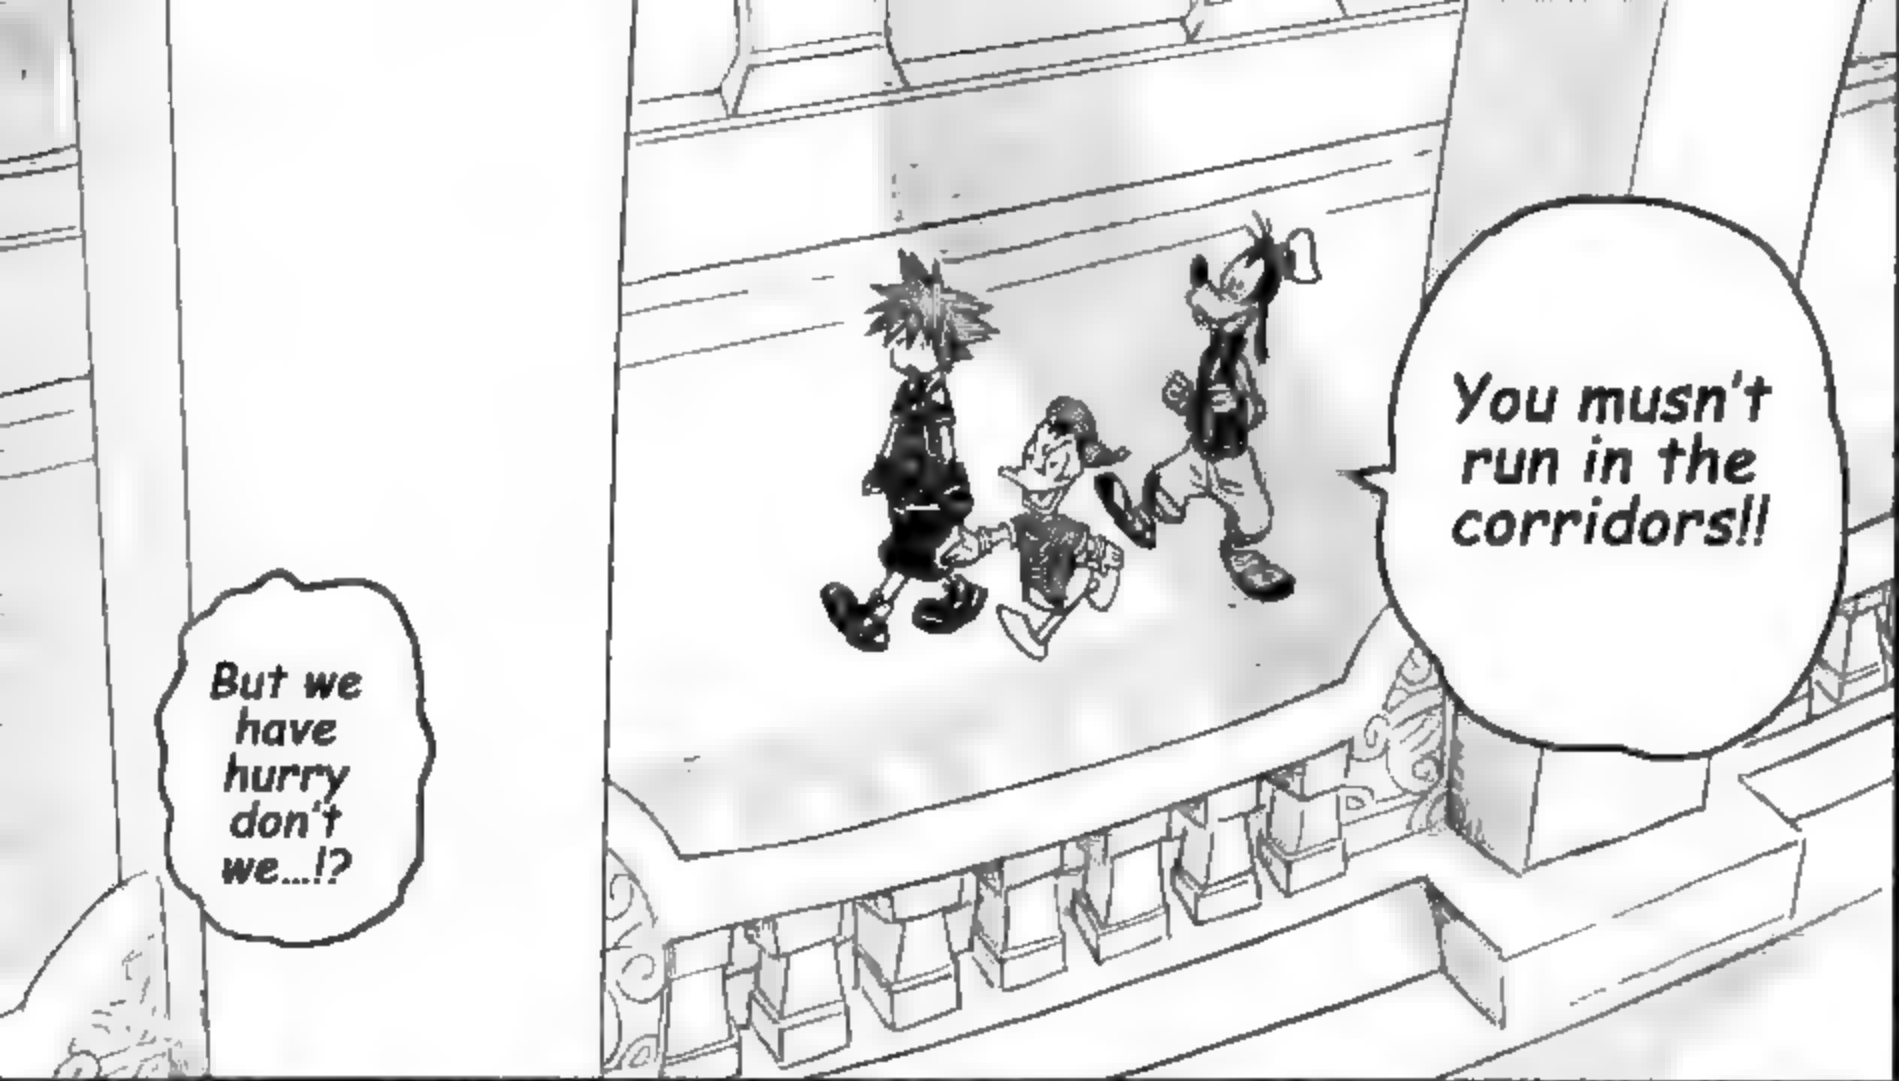

Ah!!

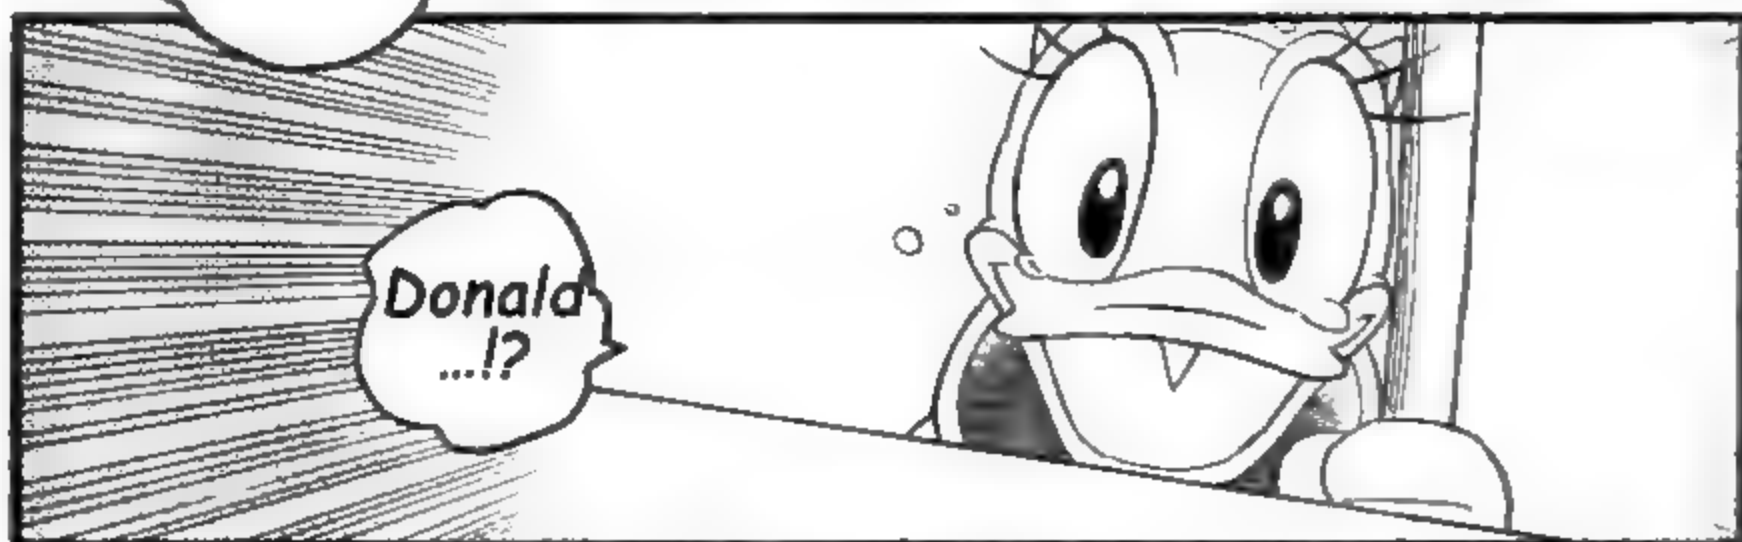

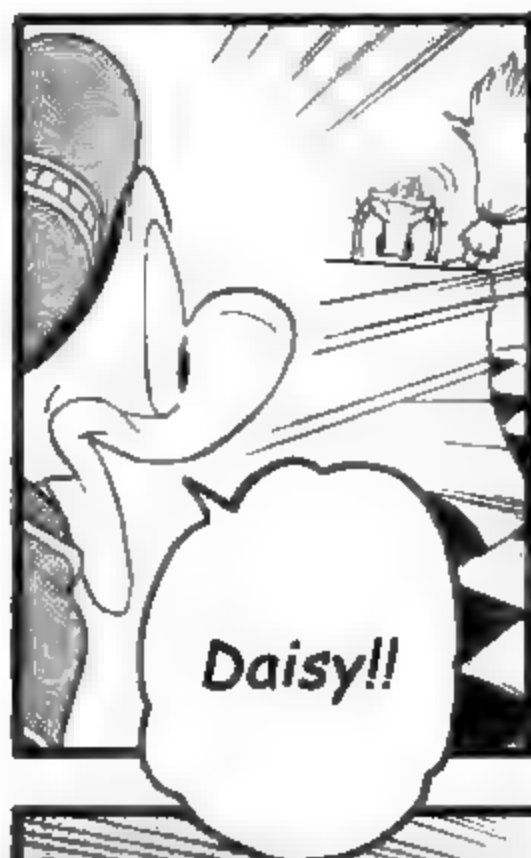

Ah!!

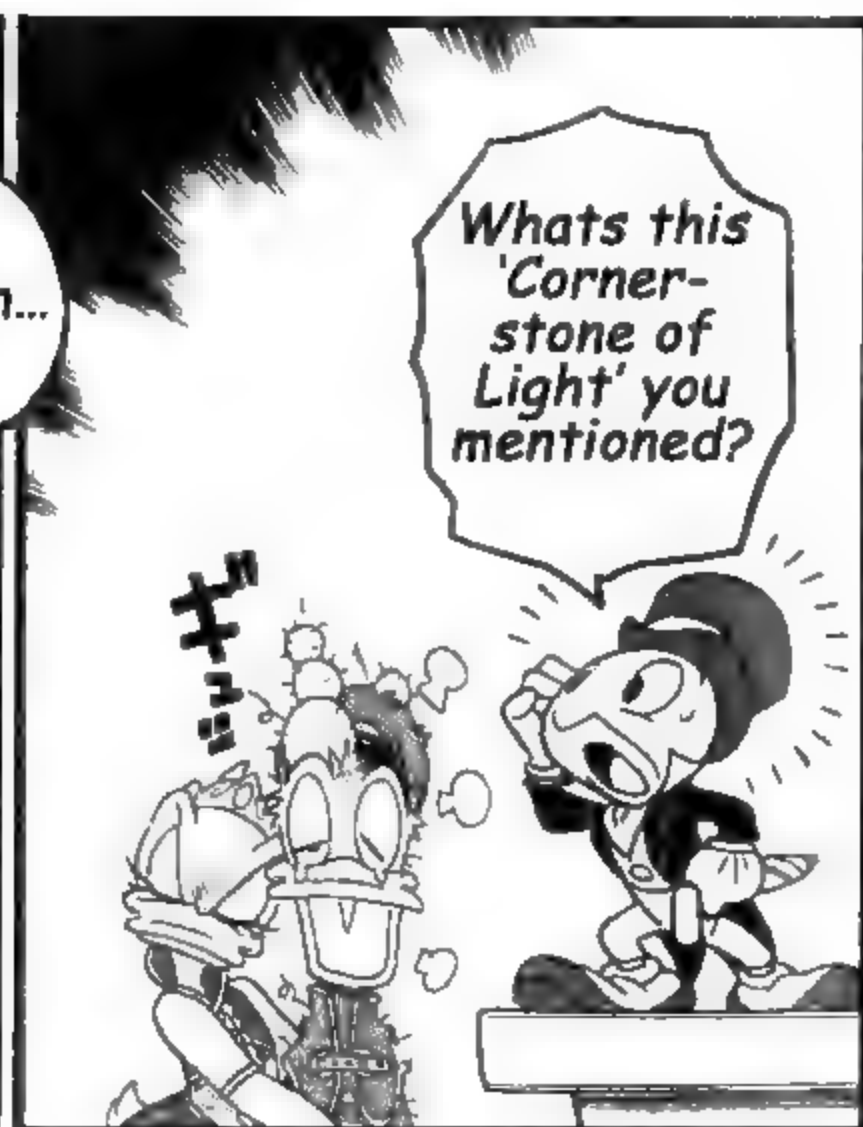

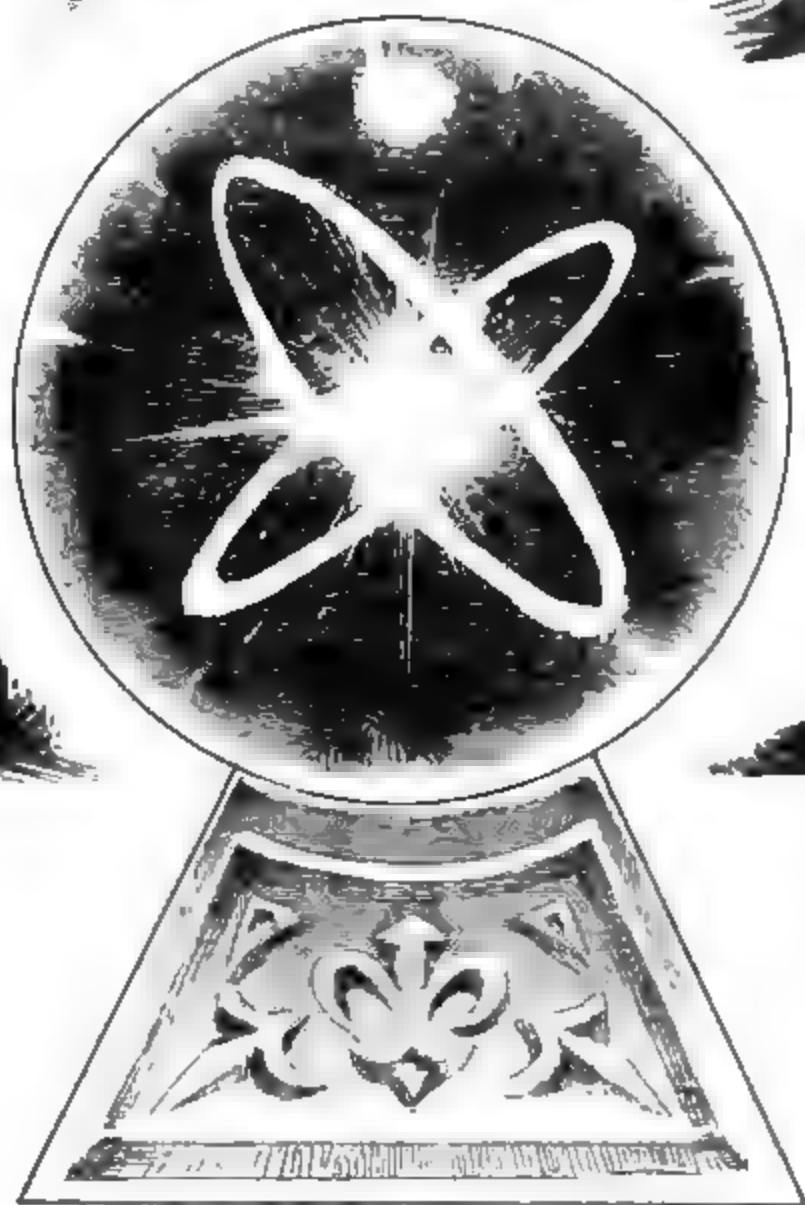

It's as if some-  
thing that was  
sleeping here  
this whole time  
has suddenly  
woken up....

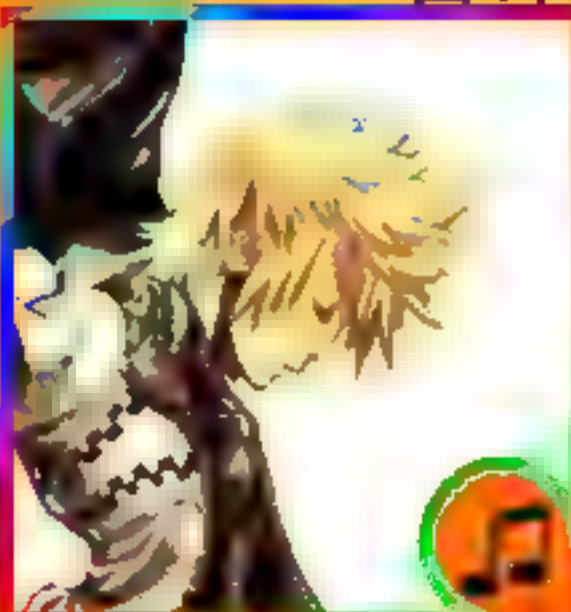

What could be the reason something abnormal  
is happening to the cornerstone of light ...?

But look  
....

This  
is the  
castle's  
cherished  
Corner-  
stone

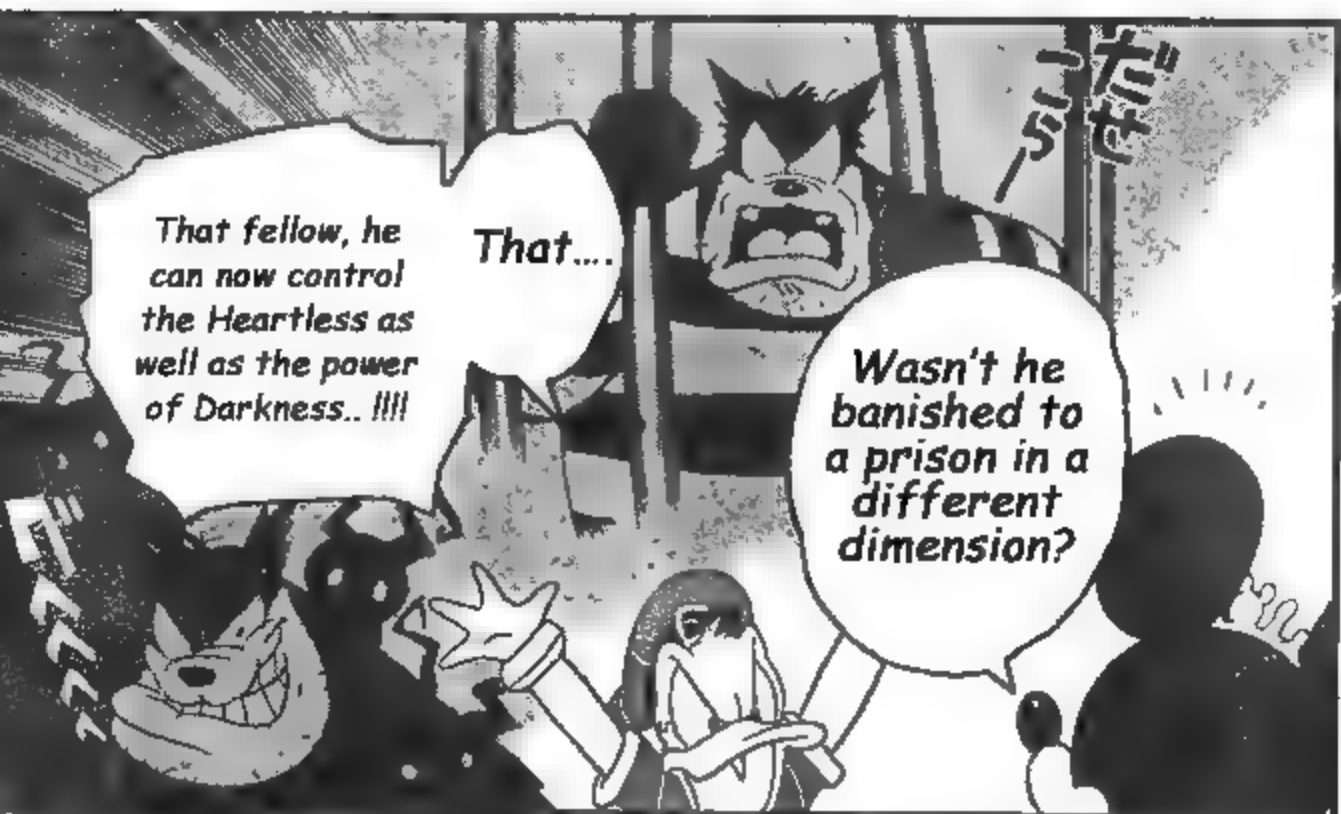

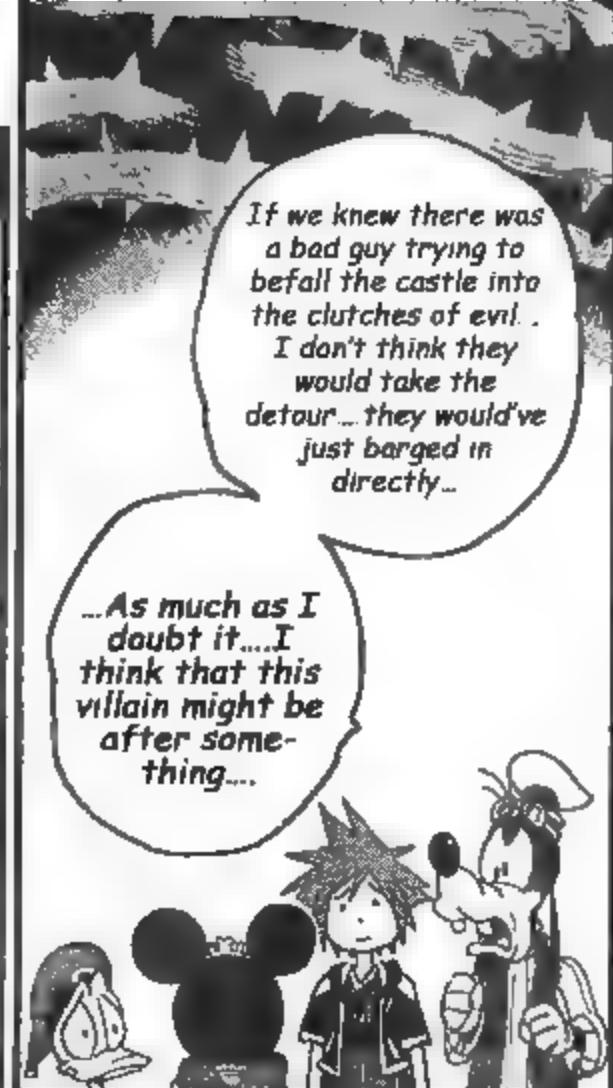

IDENTIFY THE CAUSE OF THE PROBLEM

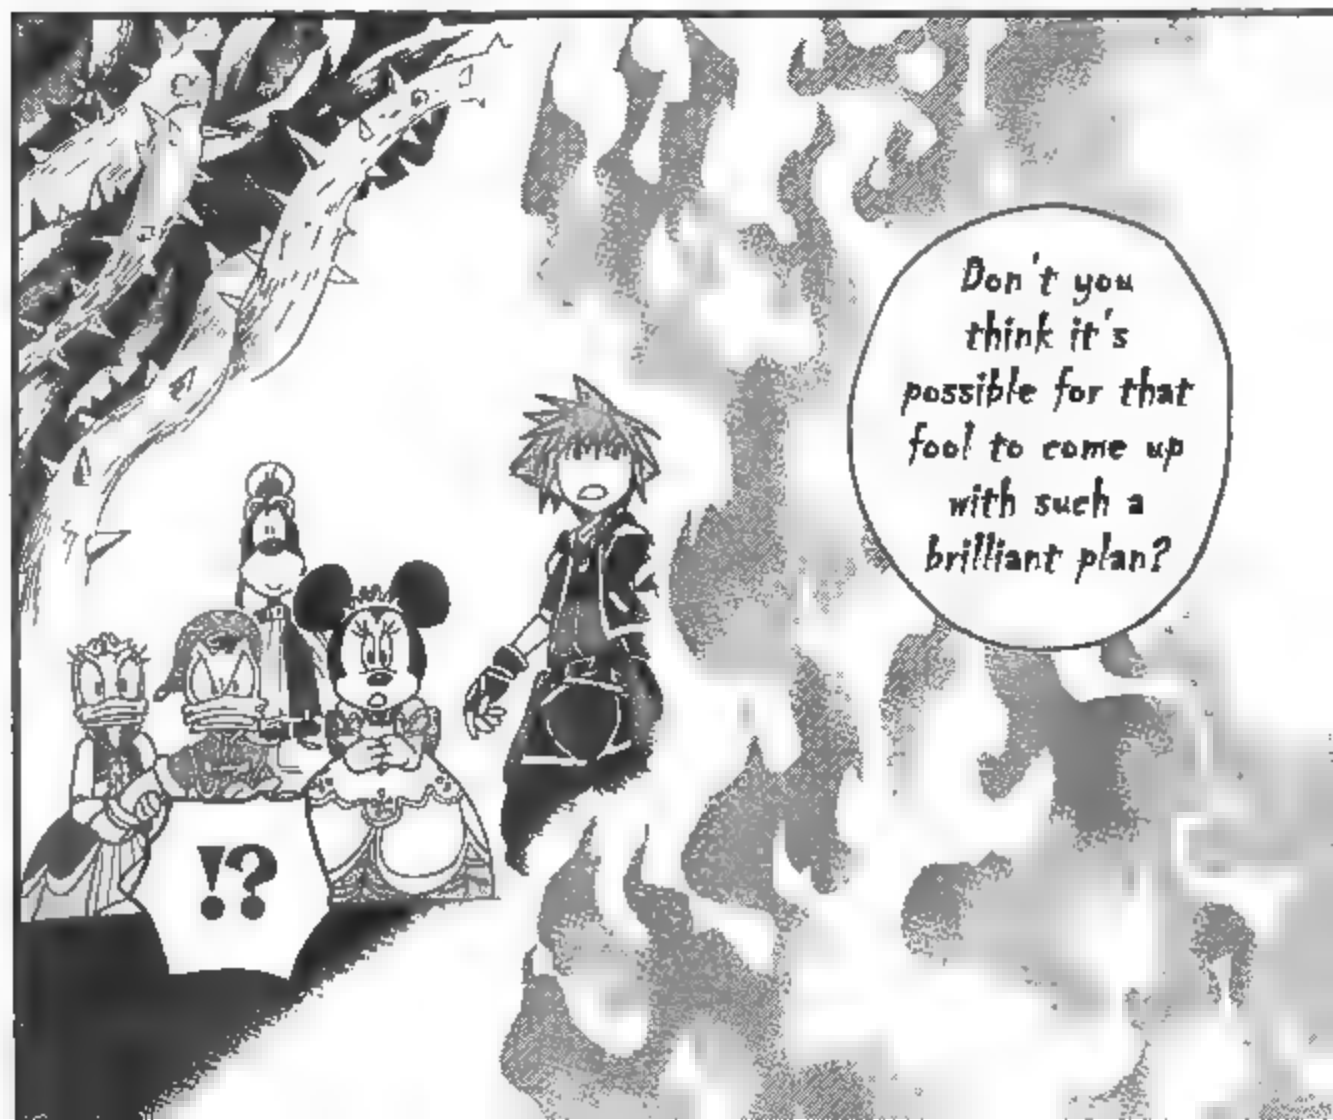

This has  
gone too  
far!

These thorns  
are the reason  
why the  
Heartless  
have appeared  
in the castle  
.....

MALEFICENT  
|||

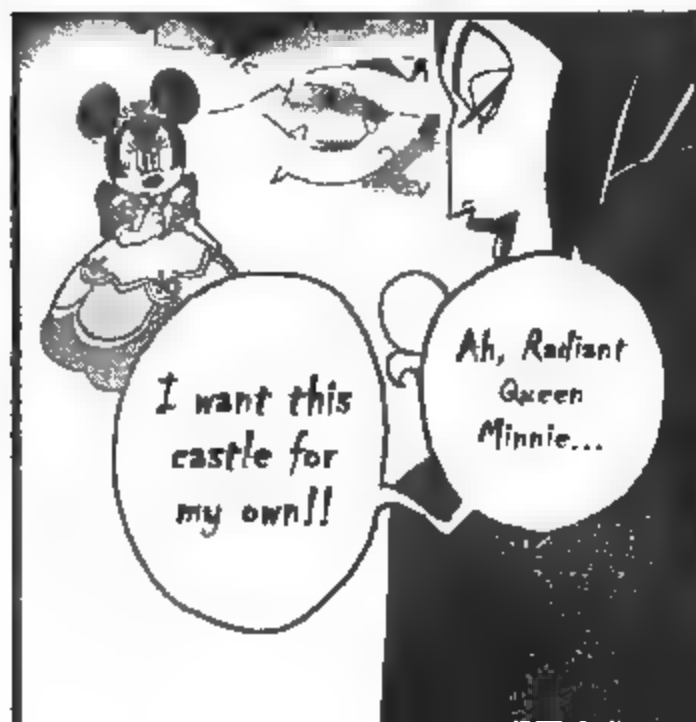

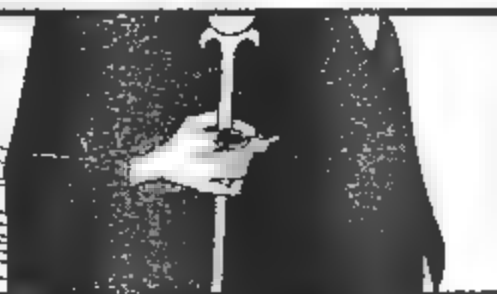

So you're  
the one  
behind all  
this!

If it isn't  
the wretched  
Keyblade  
holder, and  
his pitiful  
lackeys!

It's been  
a while

I want this  
castle for  
my own!!

Ah, Radiant  
Queen  
Minnie...

I  
promise you'll  
be able to  
partake of my  
vengeance. But  
you must be  
patient.

Whats the  
rush? I promise  
I'll deal with  
you eventually  
...

Ooh, how  
frightening

You'd better  
stop right now  
if you know  
what's good  
for you!

you  
...

It's a bit too  
"bright" for what  
I have in mind.  
I suppose I'll  
just have to add  
some darkness.

Its roots have  
already deeply  
eroded away at  
beneath this  
castle...

Even if this  
castle doesn't  
disappear, theres  
nothing you can  
do to eradicate  
those roots

But you know,  
the seeds were  
sown long ago  
....

There's  
nothing you  
can do to  
resist

I'll just have to wait  
til the Cornerstone  
of Light loses its  
radiance, then this  
castle will be mine!

The  
only way is to tear  
down this  
castle.....Unless  
you can return to  
the past!!!

AAAAAAAAAAAA

What...  
I wonder  
what she  
meant  
...?

But  
Maleficent  
isn't a  
denizen of  
this world  
..

Sewn  
Seeds...?

What  
should I  
do to  
make it  
right...?

You're  
here!

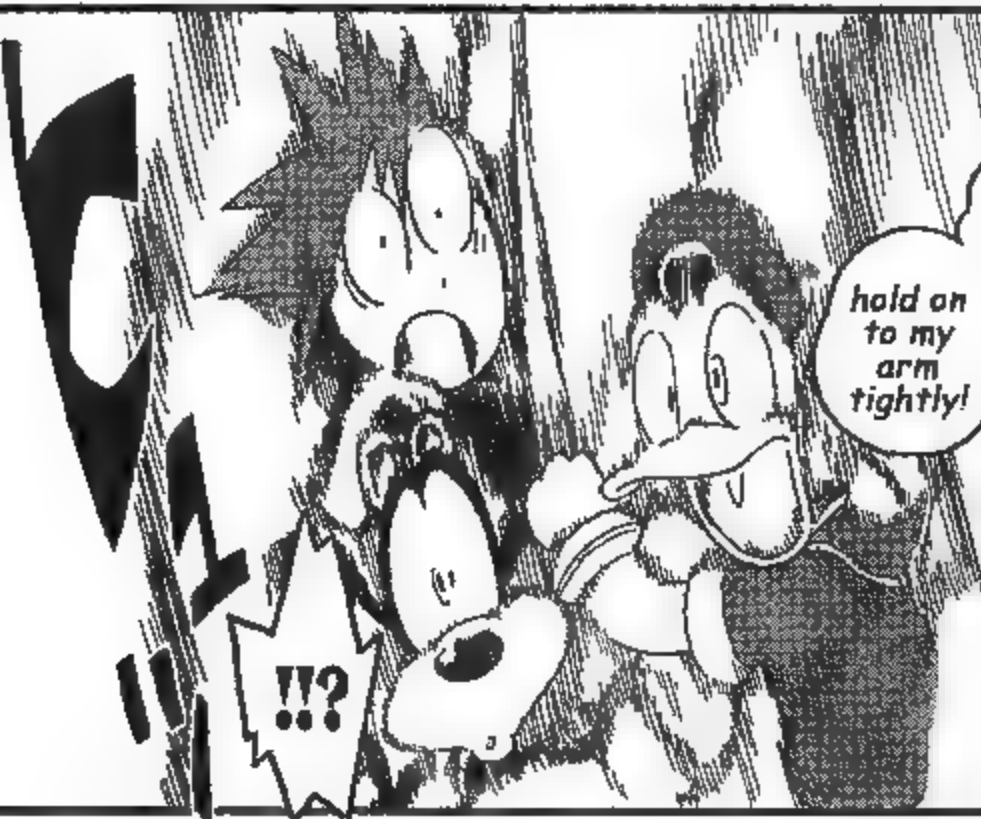

Oh!

About  
that...  
we're kinda  
in a hurry  
at the  
moment

Oh yeah!  
Theres a  
sale in the  
business  
district!

So you're  
finally here  
to help  
exterminate  
Heartless?

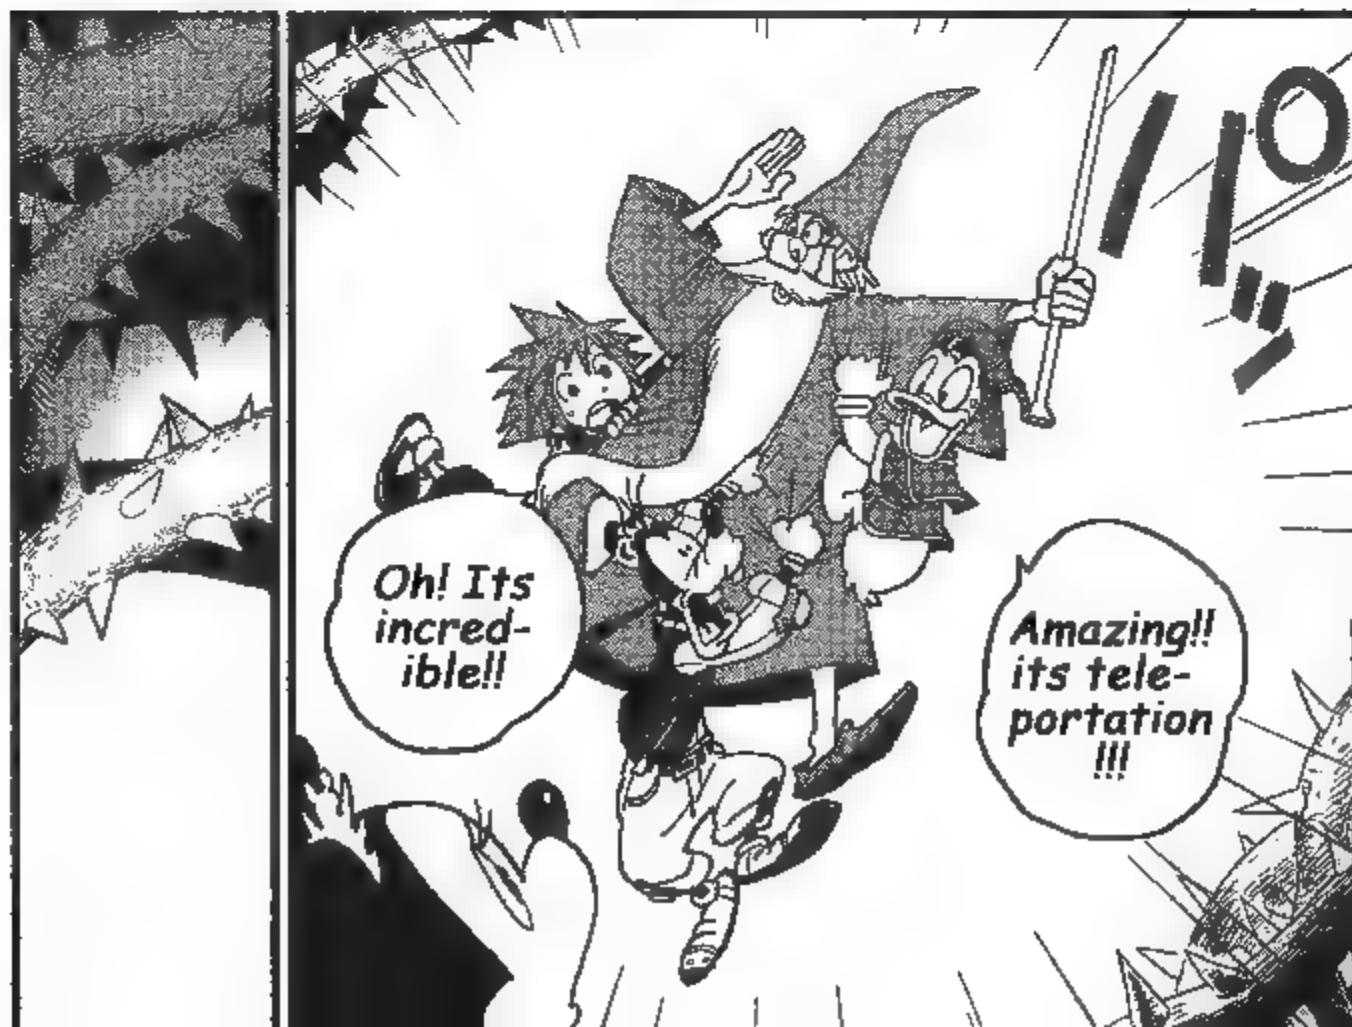

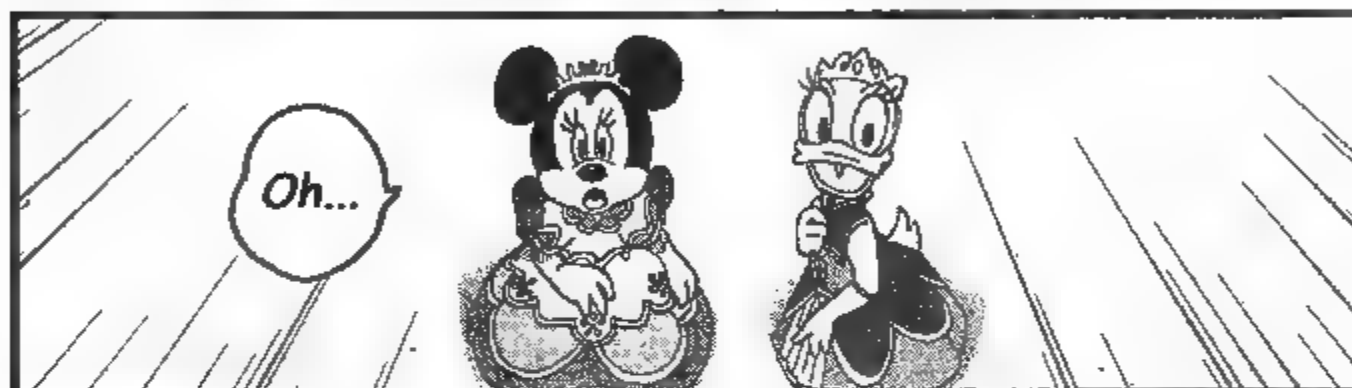

hold on  
to my  
arm  
tightly!

Okay,  
we're  
going  
now

Oh  
whats  
with the  
cold atti-  
tude...

Se-cret

Its...  
a...

What's  
this  
door?

Even if you  
realise that  
you can't find  
a solution to  
this problem

A special  
world?

All I can say  
is that it  
leads to a  
very special  
world

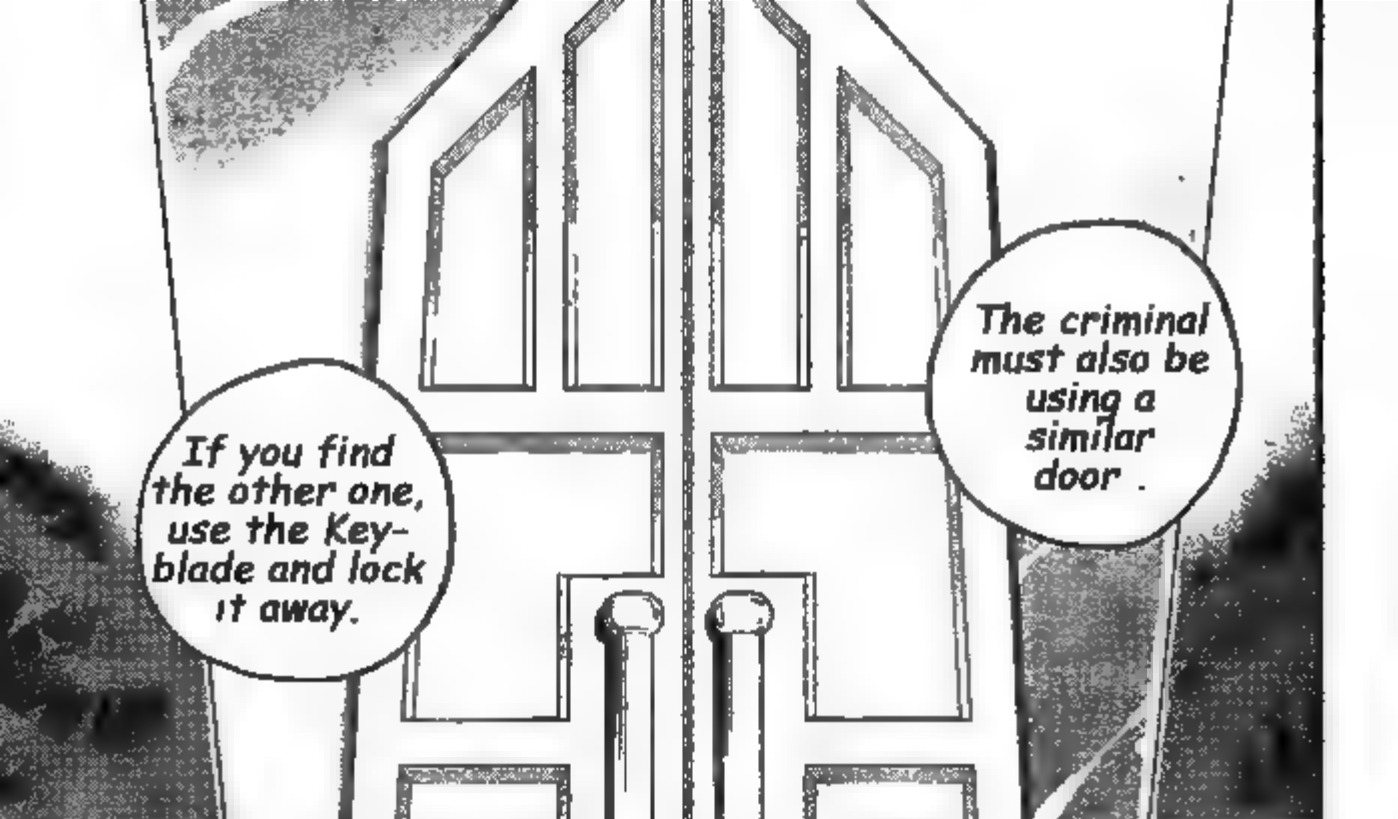

Why  
!?

Ah...  
wait a sec!!  
theres  
something  
important  
you must  
hear!!!

Guess  
we'll be  
going!

I think Well...  
defeating  
the criminal  
should do  
the trick!

*If you find  
the other one,  
use the Key-  
blade and lock  
it away.*

*The criminal  
must also be  
using a  
similar  
door .*

??  
*I got  
it!*

*If you don't  
then it'll be  
impossible to  
catch the  
criminal!!!*

*.. don't touch  
anything in  
that world...*

*There's  
one more  
thing I  
forgot to  
say...*

*Ah,  
Wait!*

*WHAT  
NOW!?*

Proceed with  
caution.....  
I bid you  
good luck!

Are those  
his serious  
eyes?!

...that's  
going to be  
difficult...

AHHH  
WAIT!!!

Just what  
kinda world  
will it be??

Okay, We're  
going now!!!

Even though  
its not very clear  
to me yet, I think  
I understand  
everything  
so far

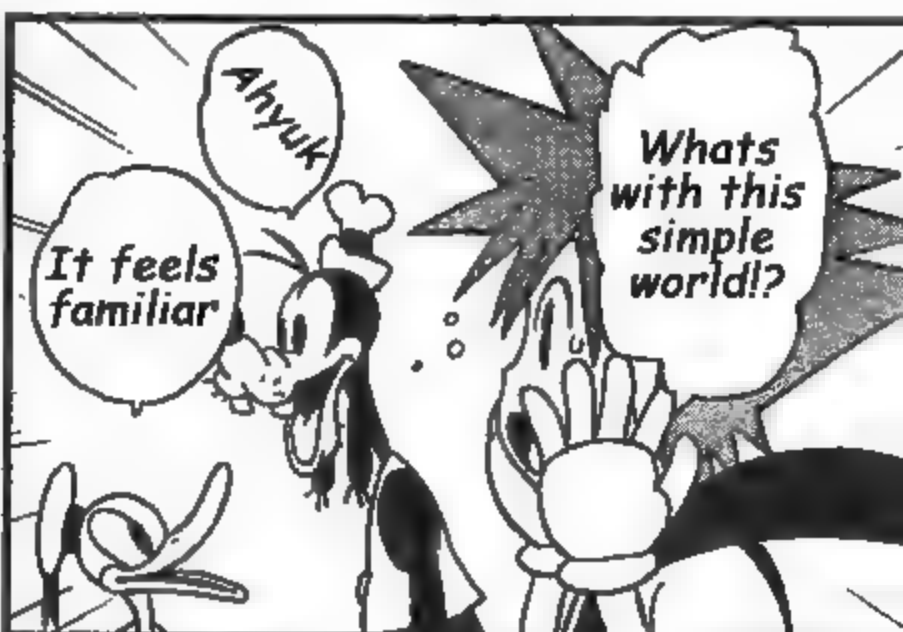

As small  
changes  
over there  
can result in  
big changes  
later...

Be  
careful  
Donald

Okay...  
**NOW**  
we're  
going!

KISS!!

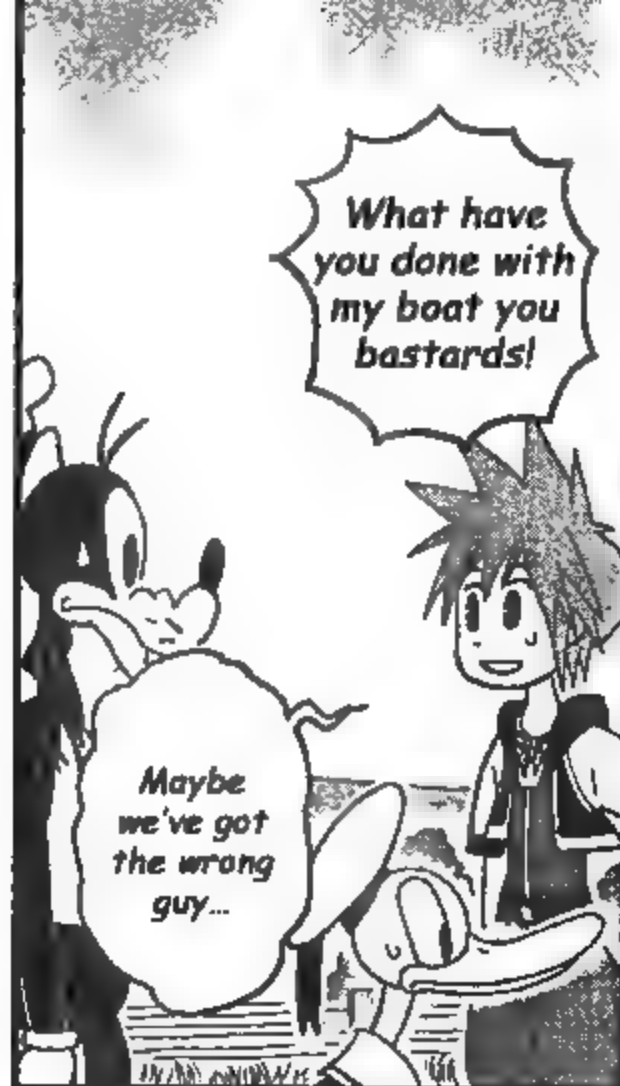

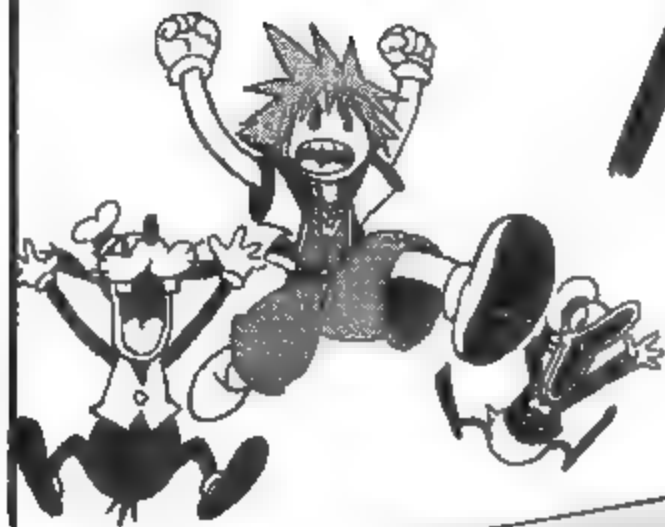

Hey! You  
little thief!

Hmm?

Uh...

Could this pete be the Pete that  
they're looking for?

If abuses  
the power of  
this door, I  
should think  
that there  
would terrible  
consequences

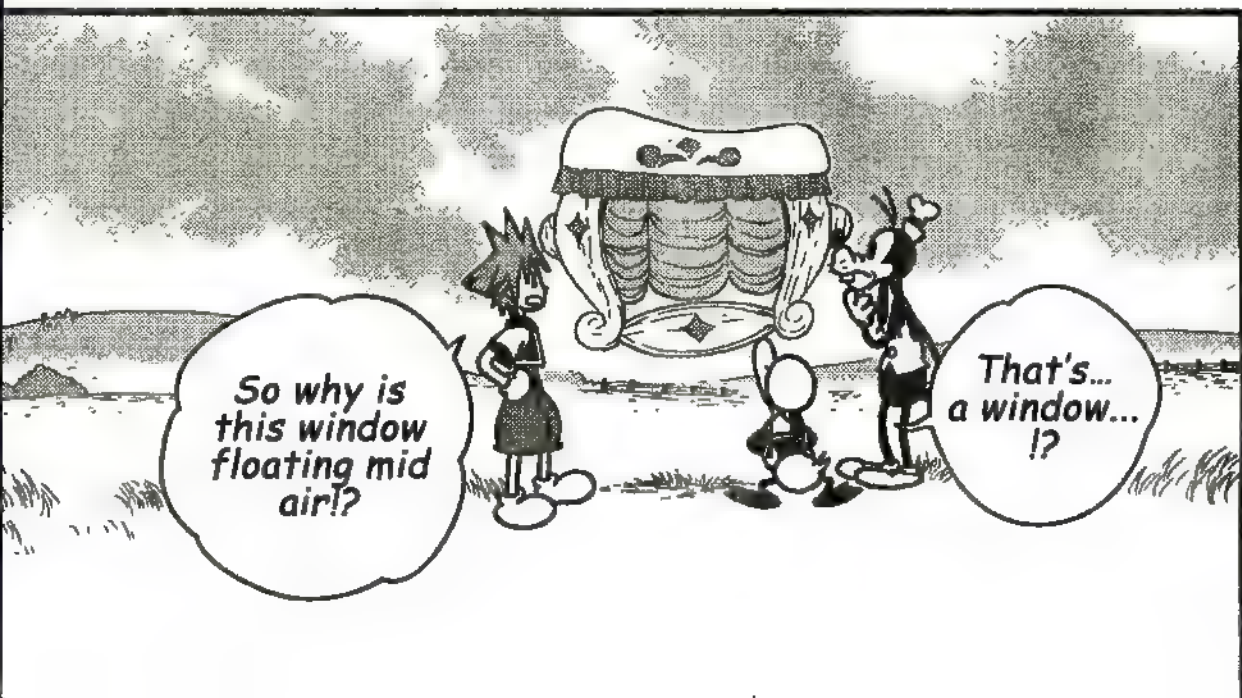

I'm sure  
Maleficent  
must also  
be using  
this door

That's why  
I didn't tell  
them every-  
thing...

That's  
right....

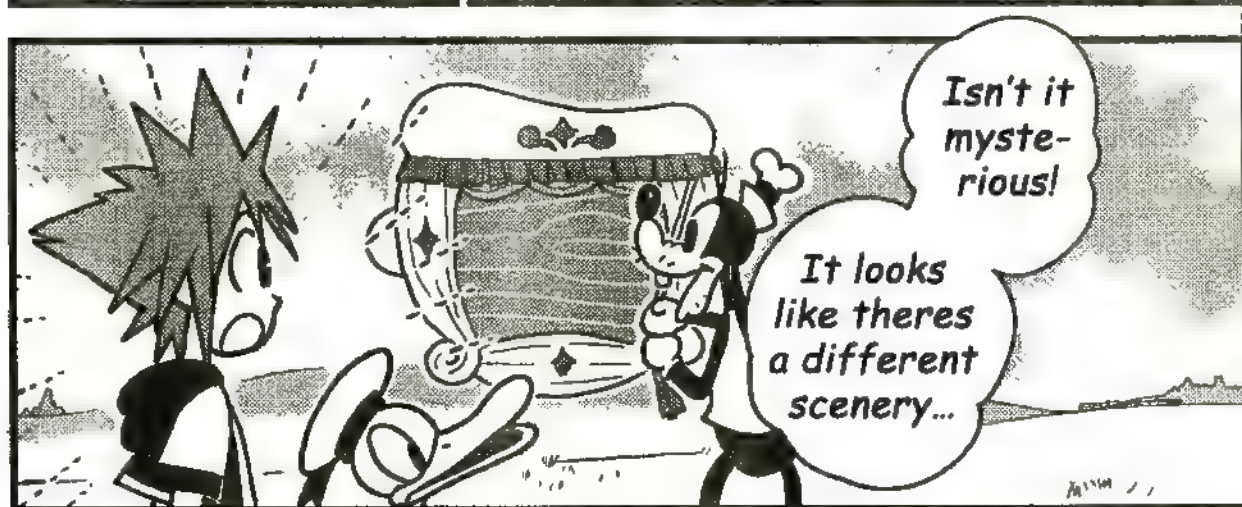

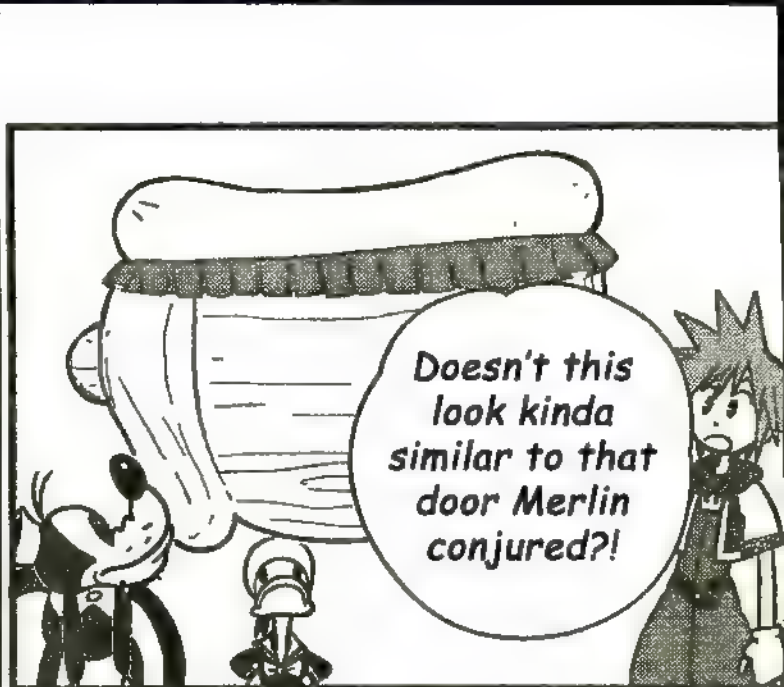

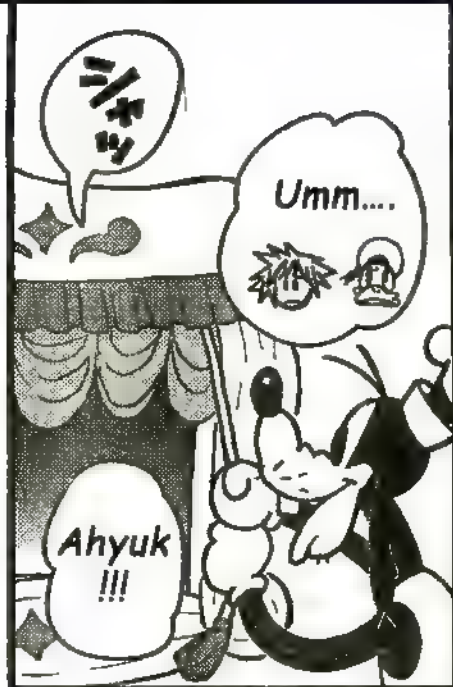

As long as
